- Plan Co-ordination and Plan Monitoring
- Training on Development Planning
- Development Banking
- National Small Savings
- Conduct of Evaluation studies

**1.6 List of services being provided by the public authority with a brief write-up on them.**

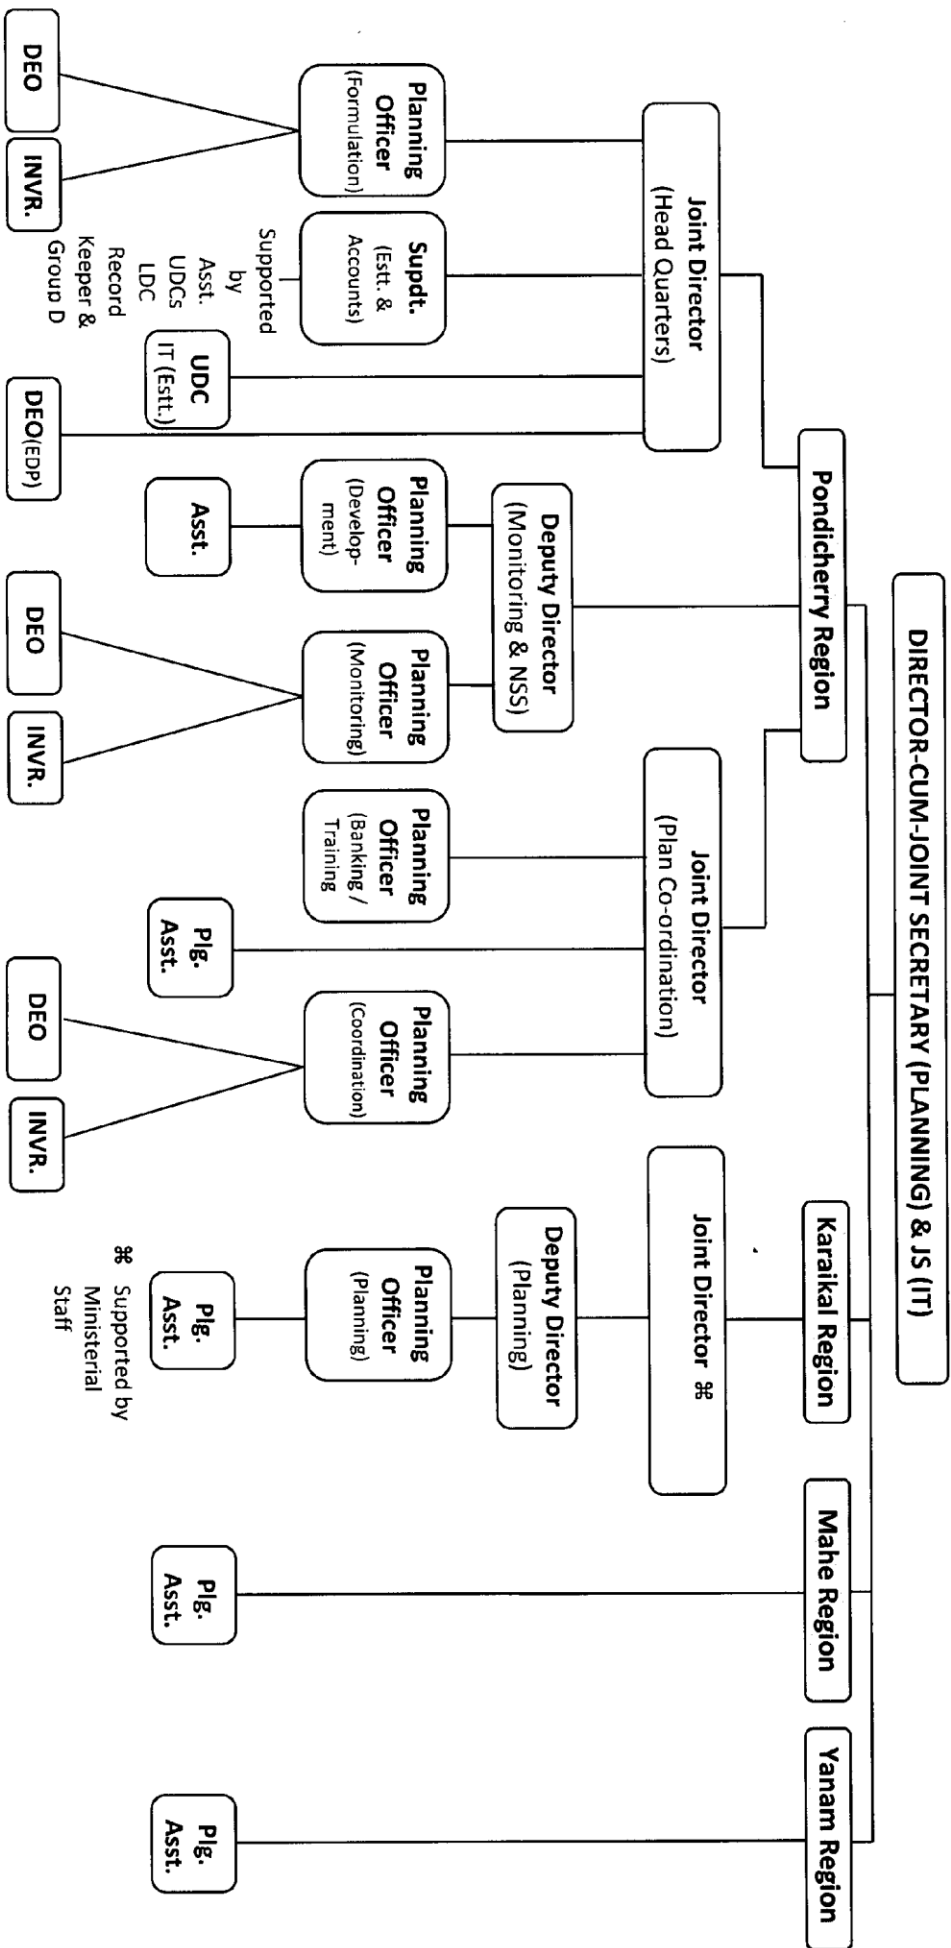

***National Small Savings Scheme***

In order to mobilize small savings, agents are appointed under NSS scheme for Standardised Agency System (SAS), Mahila Pradhan Khetriya Bachat Yojana (MPKBY) and Public Provident Fund (PPF) whenever need arises. Standardised Agency System is given for a period of one year and thereafter to be renewed every year, as far as MPKBY is concerned the period of validity of the licence is for three years and to be renewed thereafter, and the MPKBY agency is given only to women members. Regarding PPF agency the licence is given to the existing SAS/MPKBY agents for every three years.

***Payment of Commission to Agents***

The commission paid to SAS / MPKBY agents under National Small Savings Scheme was withdrawn from 1<sup>st</sup> December 2011 based on the Notification No.F1/12/2011-NS-II dt.25.11.2011 issued by Department of Economic Affairs, Ministry of Finance, Government of India.

1.7 ORGANISATIONAL STRUCTURE DIAGRAM AT VARIOUS LEVELS

Name / Title of the document : **Pondicherry Vision 2020 Document**

Brief Write-up of the Document :

The Pondicherry Vision 2020 document portrays the possible avenues for the socio-economic development and economic growth of Union Territory of Puducherry.

The salient features of the document are:

- State Domestic Product growth rate at 7% per annum.
- Population growth rate will come down to 1.07% per annum .
- Total population projected will be 12.5 lakhs and the total employment will be Rs.4.6lakh.
- Revival of Agriculture -Share of agriculture will be less than 10% due to decline of cultivable area. Hence diversification of cropping pattern.
- Focus on Industry and Service Sectors -Development in Industries and Service sectors in which Puducherry has comparative advantage. hence strengthening the infrastructure base. Services such as higher education, Information technology and tourism must be promoted with right policies.
- Regulatory frame work -Reforms will have to be implemented in the infrastructure sectors particularly in power and water.
- Continued Focus on Human Development -High Human development index hence the existing health care programmes have to be sustained.
- Reduction of poverty alleviation and casualisation of labourers by creating more employment opportunities.
- Protection of Environment and high level of urbanization -Regulation of ground water, pricing and quality monitoring and water conservation measures to be taken up in urban waste management.
- Shelter needs attention.

Name / Title of the document : **Puducherry Development Report**

**Brief Write-up of the Document :**

The Puducherry Development Report brought out by Planning Commission in association with Madras Institute of Development Studies(MIDS), Institute of Finance Management and Research (IFMR) Chennai and M.S. Swaminathan Research Foundation (MSSRF), Chennai, analyses the development pattern, internal integration between various sectors and the interaction of the economy with the global scenario.

The salient features of the document are :

- The share of agriculture and allied & contribution to the State GSDP has come down whereas the share of service sector contribution to the economy of Puducherry is remarkable.
- Area, production, Productivity of crop has declined over a period of time due to the reduction net area zone, total cropped area and diversification of land use.
- To reduce the poverty in the UT of Puducherry, all the development programmes should be implemented in cooperation with self help groups, civil society organization and NGOs to improve efficiency in implementation.
- Puducherry with limited physical resources like land, water, power, and raw materials should focus its attention on providing industrial and social infrastructure. Obviously it needs to significantly improve its accessibility- road, rail, port, airport, etc., and also upgrade its present infrastructure base (industrial estates, power, social infrastructure), in order to attract investments in all sectors. State should provide world-class infrastructure for accelerated growth of industries with slant on exports. Tapping public private partnerships (PPPs) mode for its infrastructure projects should be given top priority.
