**PRESS RELEASE**

The Medical Council of India (MCI) has directed 3 private self-financing medical colleges in Puducherry viz. Sri Manakula Vinayagar Medical College and Hospital, Puducherry, Sri Venkateshwara Medical College Hospital & Research Centre, Puducherry and Pondicherry Institute of Medical Sciences, Puducherry, to discharge 105 students who were admitted in MBBS course during the academic year 2017-18 in violation of the Graduate Medical Education (GME) Regulations, 1997. As communicated by the Medical Council of India, Govt of Puducherry has directed Sri Manakula Vinayagar Medical College & Hospital , Sri Venkateshwara Medical College Hospital & Research Centre and Pondicherry Institute of Medical Sciences to immediately discharge 41 (forty one), 38 (thirty eight) and 26 ( twenty six) students respectively and submit compliance report. The MCI's discharge action is on account of the fact that the list of these students furnished by the Colleges were not available in the list provided by CENTAC to MCI. The Govt of Puducherry has also communicated these instructions to Registrar of Pondicherry University and the Registrar of Tamil Nadu State Medical Council for information and necessary action.

It is also noted that MCI has erroneously recommended for discharge of 56 candidates (55 under Govt. Quota and 1 under Management Quota) in Sri Venkateshwara Medical College Hospital & Research Centre, Puducherry, who were duly sponsored by CENTAC, Puducherry. The Govt of Puducherry has taken up the matter with MCI to withdraw the action in respect of these 56 CENTAC sponsored candidates and the College has been advised not to discharge these candidates until further orders/communication of the Medical Council of India. Therefore, it is appealed to these 56 students and their parents/guardians not to panic and also not to fall prey to any rumours that may be spread in this regard. The Director of Health Services can be contacted for any clarification on this issue.

**COLLEGE-WISE LIST OF STUDENTS DISCHARGED  
BY MEDICAL COUNCIL OF INIDA**

PONDICHERRY INSTITUTE OF MEDICAL SCIENCE, PUDUCHERRY
