Dec 2, 2015

MESSAGE

The Armed Forces Flag Day celebrated every year is intended to honour the valiant and the martyred and to renew our solidarity with the Armed Forces Service personnel.

Our Armed Forces have made immense sacrifices while upholding the security and integrity of the country both from external and internal disturbances. A large number of service personnel have become casualties to the call of duty and are compelled to lean on others for support for their families. The Armed Forces Flag Day provides us with the opportunity to fulfill our obligation of looking after the war widows, war disabled and the dependants of those who have sacrificed their lives.

I convey my best wishes to all serving and Ex-service Defence personnel and their families on the occasion of the Armed Forces Flag Day 2015 and appeal to the people of Puducherry to make liberal contribution to the Armed Forces Flag Day Fund.

LT GEN A K SINGH
