

**GOVERNMENT OF PUDUCHERRY
DIRECTORATE OF INFORMATION TECHNOLOGY**

No.2595/DIT/SDC/D2/2009

Puducherry, dt. 29.05.2012.

CIRCULAR

Sub : DIT – State Data Centre – Migration of Applications/Database
- Leveraging infrastructure – Reg.

-::-

The Directorate of Information Technology has established “State Data Centre”(SDC) under National e-Governance Plan (NeGP) and is operational.

2. This SDC will facilitate to consolidate the applications for hosting of services to provide efficient delivery of Government to Government (G2G), Government to Citizen (G2C) and Government to Business (G2B) services. These services will be rendered through a common delivery platform seamlessly supported by common core connectivity infrastructure provided by Puducherry State Wide Area Network (PSWAN).

3. The SDC is equipped to host applications under shared/co-located model in order to effectively utilize the centralized infrastructure created exclusively for the State. The Departments are advised to migrate their existing Applications/Database to the SDC with the assistance of their Application Developer.

4. The Departments are requested to contact the Programmer, Directorate of Information Technology, Puducherry (Phone : 0413-2231292) for migrating their Applications/Database to the SDC.

(L. KUMAR)
