Notice inviting e-tender for the work of Design, Supply, Erection and Commissioning of Sewage Water Treatment Plant 10KLD capacity (Prefabricated Package type FRP based STP)

“E-Tenders” are invited *from established manufacturers/suppliers* for the work of Design, Supply, Erection and Commissioning of Sewage Water Treatment Plant 10KLD capacity (Prefabricated Package type FRP based STP) .

1. Tenderers should submit their tender online at the Government website <https://pudutenders.gov.in>. Payment of Tender Fee of Rs.2,500/- and EMD for an amount of Rs.60,000/- are to be paid through Internet Banking or NEFT/RTGS mode only. The facility for the same is available in the tender portal itself. No other form of remittance shall be accepted.

2. The Tender details, and ‘Terms and Conditions’ may also be downloaded from the website www.py.gov.in and <https://pdlindia.in> for reference only. Tenders will be processed online only.

Sl. No.	Subject	Date and time
1	Pre Bid Meeting	09/06/2023 at 2.00 P.M.
2	Bid submission start date	10/06/2023 at 9.00 A.M.
3	Last date of Submission of Tender online	28/06/2023 at 12.00 Noon
4	Date of opening of technical bid online by the Committee	28/06/2023 at 2.00 P.M.

Place & Date: Puducherry, 03/06/2023.

MANAGING DIRECTOR

ABBU: E3/2023

Puducherry Distilleries Ltd.

(A Govt. of Puducherry Undertaking)

R.S. No. 144 & 145, Ariyapalayam, Villianur, Puducherry 605 110.

**Detailed Tender Schedule
Design, Supply, Erection and
Commissioning of Sewage Water
Treatment Plant 10KLD capacity
(Prefabricated Package Type FRP based STP)**

PUDUCHERRY DISTILLERIES LIMITED
ARRACK BLENDING AND BOTTLING UNIT
(A Government of Puducherry Undertaking)
R.S.No.144 & 145, Ariyapalayam, Villianur, Puducherry 605 110.
Phone No: 2667578, 2666844
e-mail: pdl@pdlindia.in

**Design, Supply, Erection and Commissioning of Sewage Water
Treatment Plant 10KLD capacity (Prefabricated Package TYPE
FRP based STP)**

1. GENERAL

1.1. Sealed Tenders are invited for the Design, Supply, Erection and Commissioning of Sewage Water Treatment Plant 10KLD capacity (Prefabricated Package Type FRP based STP) at Arrack Blending and Bottling Unit of Puducherry Distilleries Ltd on Turnkey basis.

1.2. In the following clauses of this tender the expression "Company" means Puducherry Distilleries Ltd., "Managing Director" means the Managing Director of Puducherry Distilleries Ltd., "STP" means Sewage Water Treatment Plant, "KLD" means Kilo Litres per Day, "PPCC" means Puducherry Pollution Control Committee, "ENA" means Extra Neutral Alcohol , "SS" means Stainless Steel, "MS" means Mild Steel, "M" means metre/metres, "mm" means Milli Metre, "NB" means nominal bore.

2. SCOPE OF WORK

2.1. The tender is invited for Design, Supply, Erection and Commissioning of 10 KLD Sewage Treatment Plant On-Ground Prefabricated Package Type FRP based, to provide treated effluent quality to meet Pollution Control Board norms with performance guarantee for three years. The schematic drawing attached with this document is preliminary. However, the bidder will be required to submit the Detailed Process, drawings, all the technical details for equipments in the Technical Bid Documents.

2.2. **Scope of supply of Equipments:** Following equipments of suitable capacity shall be supplied by the Contractor.

- (i) Bar Screen chamber,
- (ii) Sewage water collection tank (FRP 2.0 KL capacity),
- (iii) Raw Sewage Transfer Pump,
- (iv) On-Ground Prefabricated Package type FRP based STP (3rd Generation MBBR/Johkasou Technology),

- (v) Provision for interconnecting pipes for inlet, outlet, vent, blower pipe and instruments,
- (vi) Air Blowers,
- (vii) Sludge Recycle pump,
- (viii) Filter Feed Pump,
- (ix) Multi Grade Filter,
- (x) Activated Carbon Filter,
- (xi) Chlorine Dosing system,
- (xii) Treated Sewage water storage tank (FRP) approximately 2.5 KL capacity,
- (xiii) Treated Sewage water transfer pump,
- (xiv) Electrical Control panel,
- (xv) Laying of main electrical cable (25 sq.mm x 3.1/2, armoured UG cable of 170 mtrs approximately) from the Power Control Centre of the Company to the Control Panel of STP,
- (xvi) Provision of Stand by pumps
- (xvii) Any other equipment required for smooth operation of plant shall be under the scope of contract at no extra cost.

2.3. The work shall include but not limited to the following major items:

- I. Design and Engineering of STP to be operator friendly and for the operator's safety, health and hygiene,
- II. Design and Engineering of On-Ground STP made of FRP by Filament Winding Process (Hoop and Helical Winding) which is maintenance free, Rust & Leak Proof and durable life,
- III. Design and Engineering of Complete interconnecting piping between various units including supply of all materials like suitable pipes, fittings, all valves, gaskets, flanges, nuts and bolts , necessary pipe supports, etc., complete
- IV. Design and Engineering of all electrical motors should have individual protection against over load and short circuit/single phasing. All switch gears, cables, push-buttons, contactors etc should conform to the relevant IS standards and should be of reputed make like Siemens, L&T, Telemecanique. HRC fuses are to be provided wherever possible if not possible they should be replaced by tripping type MCBs of suitable range.

Two or more copies of circuit, schematic and wiring diagrams are to be provided with the STP.

- V. Design Calculations and drawings shall be submitted to Company for approval,
- VI. All aspects of quality assurance, including testing of equipment, procurement of materials from approved agencies/suppliers and other components of the work.
- VII. Submission of Operators' Manual with spares list and training of personnel. Submission of the completion ('as-built') drawings and other related documents along with a soft copy.

2.4. Battery Limits are defined as follows:

- (i) Construction of Pedestal for STP, MGF, ACF, Shed for Blower, Control Panel and connected civil works.
- (ii) Sewage Inlet pipe line from various WC at our campus up to Bar screen chamber of STP.
- (iii) Fresh water line to STP.
- (iv) Treated water Distribution pipe line from Treated Sewage Storage Tank to Garden area.

2.5. **Annual maintenance Contract** of STP for three years period. The AMC shall commence after three months from the date of successful completion of erection and commissioning of STP.

- (i) The Annual Maintenance Contract is a Comprehensive type inclusive of Labour, spares and consumables.
- (ii) The Contractor shall arrange for periodical preventive maintenance and the minimum periodicity of checking should not be less than one per month during the entire contract period excluding breakdown calls.
- (iii) The Contractor shall ascertain the systems, Filters, Instruments to have trouble free operation of the system.
- (iv) The Contractor shall check the Quality of the feed & treated water and efficiency of the system.
- (v) The Contractor shall check the Log sheet to identify any mistakes in the STP plant operations.

- (vi) The Contractor shall do sludge cleaning if found necessary.
- (vii) The Contractor shall do all instruments calibration work.
- (viii) Service calls should be attended within 24 hours from the registration of the call/problem.
- (ix) Since the STP plant is located nearer to the ENA/Rectified Spirit storage area and related pipe line, the service people has to take utmost care regarding safety. Necessary pre-cautious steps to be followed.

3. OFFER :

3.1.1 The Tender shall be submitted only if the Tenderer is agreeable to all the terms and conditions of this Tender. **Tenders are to be submitted through e-procurement platform at <https://pudutenders.gov.in>, only.** Tenders submitted in any other form will not be accepted.

3.1.2 Before submitting the tender, the tenderer is advised to visit the present site, and acquaint himself with availability of space for the Erection and commissioning of STP 10 KLD capacity.

3.1.3 He shall make a careful study of the proposed STP requirement including quality, type, material and fully acquaint himself with the location. He shall guard against any misunderstanding or error with regard to the requirement of this tender and is free to get any clarification necessary for this purpose. The tender, must cover all contingencies, including labour, materials, scaffolding, equipment, tools, transportation, loading and unloading of equipments and complete erection and commissioning of everything described, shown or implied herein and provide for a complete system ready for the Company's use.

3.1.4 The tenderer shall clearly mention in his tender full particulars of their experience and capabilities in respect of the work proposed to be undertaken.

3.1.5 Since tender is on turnkey basis, the tenderer should quote for all the works. Tender for part supply/erection is not accepted.

3.2 TENDER FEE and EARNEST MONEY DEPOSIT:

3.2.1 The tenderer shall pay a sum of Rs. **2,500/-** (*Rupees two thousand five hundred only*) towards Tender Fees and a sum of Rs. **60,000/-** (*Rupees Sixty thousands only*) as Earnest Money Deposit for the Design, Supply, Erection and Commissioning of 10 KLD Sewage Treatment Plant through Internet Banking or NEFT/RTGS mode only.

3.2.2 There is no exemption for the payment of Tender Fee and EMD.

3.2.3 The facility for on line payment is available in the tender portal. Payment of E.M.D and Tender fee should be done through Internet Banking or NEFT/RTGS mode. Demand Draft will not be accepted.

3.3. INSTRUCTIONS FOR ONLINE BID SUBMISSION:

3.3.1. The bidders are required to submit soft copies of their bids electronically on the e-Procurement Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the e-Procurement Portal, prepare their bids in accordance with the requirements and submitting their bids online on the e-Procurement Portal. More information useful for submitting online bids on the e-Procurement Portal may be obtained at: <https://pudutenders.gov.in>.

3.3.2. REGISTRATION

- i. Bidders are required to enroll on the e-Procurement module of the e-Procurement Portal (URL: <https://pudutenders.gov.in>) by clicking on the link "Online bidder Enrolment" on the e-Procurement Portal which is free of charge.
- ii. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- iii. Bidders are advised to register their valid e-mail address and mobile numbers as part of the registration process. These would be used for any communication from the e-Procurement Portal.
- iv. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any of the Certifying Authority recognized by CCA India (e.g. nCode, eMudhra etc.), with their profile.
- v. Bidder then log-in to the site through the secured log-in by entering their user ID / password and the password of the Digital Signature Certificate.

3.3.3. SEARCHING FOR TENDER DOCUMENTS

- i. There are various search options built in the e-Procurement Portal, to facilitate bidders to search active tenders by several parameters. These parameters include Tender ID, Organization Name, Location, Date, Value, etc.
- ii. Once the bidders selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the e-Procurement Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.

- iii. The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the helpdesk.

3.3.4. PREPARATION OF BIDS

- i. Bidder should take into account corrigendum published on the tender document before submitting their bids.
- ii. Please go through the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents – including the name and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- iii. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document and generally they can be in PDF format. Bid documents may be scanned with 100 dpi which helps in reducing size of the scanned document. Maximum size of the bid document shall not exceed 35 MB.

3.3.5. SUBMISSION OF BIDS

- i. Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission date/time. Bidder will be responsible for any delay due to other issues.
- ii. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- iii. All the documents being submitted by the bidders will be encrypted using PKI encryption techniques to ensure secrecy of data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. Confidentiality of bids is maintained using the Secured Socket Layer(SSL) 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using Department's bid openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- iv. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- v. Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid

submission acknowledgement which is downloadable/printable. This acknowledgement may be used as an entry pass for any bid opening meetings.

3.3.6. ONLINE PAYMENT OF EMD & TENDER FEES

- I. The bidders have the option to make payment of EMD & Tender fee through the following modes:
 1. Internet Banking
 2. NEFT/RTGS.
- II. In Internet banking, bidders shall make payments using his/her internet Banking enabled account with any of the banks listed in the Annexure enclosed. The Payment Gateway will display a list of banks wherein the bidder has to choose his bank. Upon selection, the bidder will be taken to the login page of his/her bank. The bidder has to Login and proceed for paying the Tender fees/EMD. If the transaction is successful, system will be redirected to the e-Tendering portal for submission of bid.
- III. To facilitate Bidders who do not have Internet banking facility, payment can be made offline through NEFT/RTGS mode. In this option, the bidder has to take print-out of the NEFT/RTGS payment Challan auto-generated by the system and visit his/her bank to remit the requisite amount. Once payment is received in the pooling account, the bidders will be able to proceed for bid submission by feeding the Unique Transaction Reference(UTR) number in the e-Procurement portal. It is advised that the bidders make payment one day in advance for validation purpose.
- IV. Bid submission can be done immediately when EMD/Tender fee is paid through "Internet Banking" mode when compared to NEFT/RTGS mode of payment.
- V. During evaluation of tender, EMD of unsuccessful bidders will be automatically refunded to the bidder's account from where they initiated payment.
- VI. A Pre-Bid meeting also conducted by the Company for the interested tenderers on the online submission of the tenders and for other clarifications regarding e-tender on 09-06-2023 at 2.00 P.M at Puducherry Distilleries Ltd., Ariyapalayam, Villianur, Puducherry.

3.3.7. ASSISTANCE TO BIDDERS

For any technical related queries please call at 24 x 7 Help Desk Number
0120-4001 002 , 0120-4001 005 , 0120-6277 787
support-eproc@supportgov.in

3.4 FILLING OF E-TENDERS :

3.4.1 Tenders should be duly filled in (on the assigned space), duly signed with the digital signature and submitted online. All mandatory fields marked with (*) have to be filled by the tenderers.

3.5 THE TECHNICAL BID SHALL CONTAIN THE DOCUMENTS LISTED HEREUNDER.

The Tenderers are requested to upload the following three documents in Cover details of Cover No. 1 in the e-tender format and the supported file format is .pdf

3.5.1 The scanned copy of the duly signed **Tender Schedule Consent Form** agreeing the terms and conditions of the tender conditions as per **Annexure-I**.

3.5.2 The scanned copy of **GST/TIN registration**.

3.5.3 The scanned copy of **Detailed Process, Drawings, Equipments of STP 10KLD**

Note:

3.5.4. The originals of the photo copy of documents wherever placed shall be brought when called for by the committee for verification failing which the tenderer will be treated as non-responsive and the tender is liable for rejection.

3.5.5. The documents once submitted will not be returned to the tenderer.

3.5.6. It may be noted that, in this technical bid portion, no price / cost / financial bid is to be enclosed / uploaded. If any of these is found in the technical bid, the tender will be rejected summarily.

3.6 THE FINANCIAL BID (BOQ) SHALL CONTAIN THE FOLLOWING :

3.6.1 **Tender Offer form (BOQ) - Total unit price quoted shall be entered by the tenderer in the prescribed excel sheet.**

3.6.2 The rate should be quoted in rupee and paisa only.

3.6.3 The rate for STP 10KLD is to be quoted on *lumpsum* inclusive of GST and any other tax or duties etc., either Central or state, transport, handling, loading, unloading, E&C etc., and the rate for AMC of STP for three years period to be quoted on *lumpsum* inclusive of GST and any other tax or duties etc.. The price tendered should be inclusive of all taxes mentioned above and the Company will not be responsible for or entertain any claim, whatsoever, in this respect.

3.6.4 The rates should be typed in the space provided ONLY in the BOQ format online.

3.6.5 No representation towards upward revision of rates will be allowed. Ex-works rates offered by the firm are not acceptable and such tenders will be summarily rejected.

3.6.6 The bid shall contain only the price list. Any discrepancy in this regard will cause the rejection of Price list.

3.6.7 In the event of any discrepancy in respect to the rates quoted, the "Company" reserves the right to accept or reject the tender.

3.7 THE OTHER IMPORTANT DOCUMENT (OID) SHALL CONTAIN THE DOCUMENTS LISTED HEREUNDER.

3.7.1. The scanned copy of **Documents/ Licences/ Registration certificate** supporting that the tenderers are the manufacturer/supplier of Sewage Water Treatment Plant. (to be uploaded under General certificate sub category Year of Incorporation Certificate).

3.7.2 The scanned copy of **PAN Card / Latest Income-Tax verification /** clearance certificate from Income Tax Authority. (to be uploaded under General certificate sub category Income tax certificate).

3.7.3 The scanned copy of tenderer's **Experience credentials** to substantiate their capacity to supply our required capacity of Sewage Water Treatment Plant and tenderer's previous, existing customers Purchase Orders/Purchase Agreements in proof of supply executed to various Industries. (to be uploaded under Works sub category Order 1 and 2).

3.7.4 The above documents are to be uploaded in the OID section of the e-tender.

Note: Submission of any false information would lead to rejection and forfeiture of EMD. The originals of the photo copy of documents wherever placed shall be brought when called for by the committee for verification failing which the tenderer will be treated as non-responsive and the tender is liable for rejection.

3.8 In the event of any discrepancy in respect to the price quoted, the "Company" reserves the right to accept or reject the tender.

4. EARNEST MONEY :

4.1. The tenderer shall pay a sum of **Rs. 60,000/- (Rupees Sixty thousands only)** as Earnest Money Deposit for the Design, Supply, Erection and Commissioning of

10 KLD Sewage Treatment Plant through Internet Banking or NEFT/RTGS mode only. No exemption for the payment of EMD.

4.2 No interest will be allowed in this Deposit. The EMD of unsuccessful bidders will be automatically refunded to the bidder's account from where they initiated payment.

4.3 The Earnest Money deposited by the successful Tenderer will be retained / adjusted towards the Security Deposit for the due and faithful fulfillment of the contract, but shall be forfeited, if such Tenderer fails to deposit the requisite security deposit and execute an Agreement within 10 (ten) days from the date of receipt of the letter of acceptance of the Tender issued by the Company by email or fax communication. The EMD stands forfeited if the offer is withdrawn by the Tenderer before the expiry of the Tender validity period.

5. SAFETY CLAUSE

The proposed the Sewage Water Treatment Plant is to be fabricated near the existing RST Tank area and Stores Building respectively. As welding works are to be carried out in the spirit storage area, the tenderer should take utmost care regarding safety. Necessary pre-cautions steps such as providing of barricade, safety measures are to be provided by the tenderer.

6. APPROVAL FROM POLLUTION CONTROL BOARD

Getting the required 'Consent to operate' approvals from the PPCC, Government of Puducherry shall be taken by Contractor. All expenses related to liason, travel, lodging and an other expenses incurred thereby shall be borne by the Contractor. However, all statutory fees shall be paid by the Company on intimation to the Officer-In-Charge.

7. LOCATION OF PLANT SITE

It has been decided to install the Sewage Water Treatment Plant at Puducherry Distilleries Ltd campus as per the tentative layout furnished. Puducherry Distilleries Ltd, Arrack Blending and Bottling unit is located at Ariyalpalayam village, in Villianur which is situated on the National Highway No.45-A, at a distance of about 12 Kms., from Puducherry. Nearest railway station is Puducherry, which is connected to Villupuram junction by Broad Gauge. Puducherry is also accessible by road from Chennai by the Chennai - Trichy National Highway No.45, (with a turn at Tindivanam), as well as East Coast Highway, and the distance from Chennai by Road is about 160 and 150 Kms. respectively.

8. SECURITY DEPOSIT

The successful tenderer shall, within Ten days of issue of Letter of Acceptance of the tender, deposit an amount equal to 5 % of his tendered value as Security Deposit for the due and faithful fulfillment of the contract. The Security Deposit will be released only after the expiry of Fifteen months from the date of successful commissioning of the plant. The Security Deposit may be furnished by means of Bank Guarantee executed in favour of Puducherry Distilleries Limited, from a nationalised bank for a period up to the expiry of Seventeen months from the date of agreement.

9. AGREEMENT

The successful tenderer shall be required to execute an Agreement with the company stipulating all the conditions mentioned herein contemporaneously within **Ten days** from the issue of the Letter of Acceptance. In the event of failure on the part of the successful tenderer to sign the agreement within the above stipulated period, the Earnest Money Deposit will be forfeited and the acceptance of the tender stands canceled. Only a Senior Executive in whole time employment in the participating STP Manufacturer or Supplier/ any official duly authorised by their Board / Chairman / Managing Director / Partners can sign the Agreement. The Contract shall be deemed final only when the Agreement is entered into. In case the successful tenderer defaults, the contractor shall be liable to compensate the Company, the difference in amount in allotting the contract in favour of any other party for getting the work done.

10. COMMENCEMENT OF WORK

The successful tenderer shall commence the works awarded to him within fifteen days repeat fifteen days without fail from the date of Agreement. The Managing Director has the right to cancel the Contract forthwith with all attendant penalties against the defaulters and award the works to the next eligible tenderer.

11. PERIOD OF COMPLETION

11.1 The works connected with the supply, erection and commissioning of Sewage Water Treatment Plant and related works are to be completed entirely in all aspects within a period of **60 days** from the date of Agreement.

11.2 The tenderer shall bear in mind that time schedule is the essence of this contract and any delay in the erection and commissioning will attract " the Penal Clause".

12. ERECTION

12.1 The successful tenderer shall provide all labour, skilled, semi-skilled and unskilled workmen and erection supervisors/Officers along with erection tools and tackles, hoisting equipments, consumable stores, electrodes etc., for the work under the contract. It shall be the responsibility of the tenderer to protect all plant equipments and materials carefully and he shall also be responsible for their existence while they are at the site and before they are finally taken over by the Company.

12.2 During installation, the Company through its officials have the right to inspect the performance of work and if at any time any deviations from the agreed terms are noticed and intimated to the contractor then it is his duty to remedy them at his own cost immediately for which, no additional extension of time would be given. The responsibility of the contractor to complete the work on turn-key basis will not in any way be detracted because of the supervision that would be exercised by the officials of the Company.

12.3 The successful tenderer shall take proper care while planning the erection of the Sewage Water Treatment Plant so that the normal working of the Arrack Blending and Bottling Plant is not disturbed. No tools/equipments tackles and men will be provided by the Company.

13. PERFORMANCE GUARANTEE

The Contractor shall give guarantee for a period of **three years**. The guarantee is applicable for the performance of individual process equipment as well as overall performance of the Sewage Treatment Plant.

13.1 Performance Guarantee for Sewage Treatment Plant

The Contractor shall give guarantee for a period of three years from the date of successful Commissioning of the treatment plant against design, defective materials, workmanship and performance. The contractor shall give guaranteed treated waste water quality as per PPCC norms. Any defects found in the workmanship, materials or performance of the unit shall be made good by the Contractor at his own expense within the time specified by Officer-In-Charge.

In case the quality of treated Sewage from STP varies from what is required, the Contractor shall rectify the plant at no extra cost so as to achieve the requisite performance guarantee and satisfy commissioning of the plant to the Officer-In-Charge.

13.2 Equipment Guarantee

The Contractor shall guarantee for the period of three years from the date of successful commissioning of the treatment plant against defective performance

of all equipment /instruments / mechanical or electrical parts under Contractor's scope of supply. Any defects found either in materials or workmanship shall be made good by the Contractor at his own expense within the time specified by the Officer-In-Charge.

The performance guarantee Period described above will start from the date of commissioning or on obtaining approval from PPCC by the Contractor whichever is later.

14. TESTING AND TRIAL RUN

The Contractor shall have to test the each equipment used for the plant for at least 72 hours continuous running with designed load and to the full satisfaction of Officer-In-Charge. Any defects found, has to be rectified by the contractor at his own cost immediately and within reasonable time to be decided by Officer-In-Charge.

The contractor shall have to dry test each process equipment used for the plant for about 48 hours continuous running to the full satisfaction of the Officer-In-Charge. Necessary instruments, gauges, supervisory personnel etc. shall be furnished / provided by the Contractor free of cost for conducting the trial runs.

15. MODE OF PAYMENT

15.1 No mobilisation advance would be granted by the Company for commencing and carrying out the work.

15.2 50 % of the cost will be paid on receipt of the equipments, materials required for fabrication, 25 % on commissioning of the system and the balance 25 % after 3 months of satisfactory functioning after commissioning.

15.3 Payment for AMC will be made in Six installments. Initial one installment at beginning of the Contract period and balance will be on satisfactorily completion of every Six month period of Contract.

16. CLEARING OF THE SITE

The packing cases and materials used by the successful tenderer for the transport and protection of the plant, equipment and materials supplied/shifted shall remain the property of the Company. The tenderer will not allow waste materials or rubbish caused by his staff or through the installation of the work to accumulate in or about the premises and shall promptly remove the same. After the completion of the work, within a week time the tenderer shall remove all rubbish, tools, scaffolding, surplus materials and temporary sheds and shall leave the plant and the site in thoroughly clean and ready state for use. In case the contractor fails to do so the Company shall remove the rubbish or get cleaning done and charge the expense on this account to the tenderer.

17. GST & OTHER TAXES

GST and any other applicable tax or duties etc., either Central or State, on materials and works, in respect of this contract shall be payable by the tenderer. The price tendered should be inclusive of all taxes mentioned above and the Company will not be responsible for or entertain any claim, whatsoever, in this respect.

18. RIGHT TO ACCEPT OR REJECT TENDER AND TO POSTPONE THE LAST DATE FOR RECEIPT AND/OR OPENING OF TENDER

18.1 The right in respect of acceptance of tender will rest with the Company. The Company, however, does not bind itself to accept the lowest tender and reserves to itself the authority to reject any or all the tenders received without assigning any reason whatsoever. The Company, through any of its officials, shall have the right to negotiate with any of the tenderers and arrive at an amount other than the one quoted in the tender.

18.2 The Company shall have the right to postpone the last date for receipt and/or opening of tenders and may do so without assigning any reason whatsoever.

19. COLLECTION OF DATA

The tenderer has advised to visit the site, collect full details about the present system and acquaint himself fully of the conditions of the existing plants and equipments. No claim whatsoever will be entertained on the plea of ignorance of difficulties latter involved in execution of work or carriage of materials.

20. MATERIALS TO BE SUPPLIED BY THE TENDERER

All the materials required for the work shall be procured by the tenderer and the Company will not take any responsibility for the procurement of materials.

21. ACCOMMODATION

No accommodation facility will be provided by the Company and the tenderer has to make his own arrangements for accommodation of his employees / labourers.

22. ALTERATIONS IN SPECIFICATION AND DESIGNS

The Managing Director, Puducherry Distilleries Limited shall have power to make any marginal alteration or modification, deletions, additions or

substitutions in the original specification and the tenderer shall be bound to carry out the work in accordance with such instructions.

23. WATER SUPPLY

Contractor will have to make his own arrangement for supply of water to his labour camps but the Company would supply free of cost in respect of the work to be carried out at the site only.

24. POWER SUPPLY

The Company will arrange to give Electrical power supply. The Contractor will make his own arrangements for temporary connection.

25. CONTRACTOR'S LIABILITY FOR DAMAGES CAUSED

The contractor shall be responsible for all injury to persons, animals or things, for all structural, decorative damages to the property which may arise from the operation or neglect of himself or of his employees, whether such injury or damages arise from carelessness, accident or any other cause whatever in any way connected with the carrying out of the contract. This clause shall be held to include, inter alia, any damage to the buildings, whether immediately adjacent or otherwise and any damage to roads, streets, factories, bridges or ways as well as all damages caused to the buildings. The contractor shall indemnify the Company and hold it harmless in respect of all and any expenses arising from any such injury or damage to persons or property as aforesaid and also in respect of any claim made and also in respect of any awards/judgments of compensation or damages consequent upon such claim. The contractor should take insurance cover towards workmen compensation, third party insurance risks and fire risks, at their own cost and no extra amount will be payable on this account. The value of insurance cover against each risk and the agency with whom such cover is to be taken shall be got approved by the Managing Director of the Company. If the contractor fails to effect insurance cover the Managing Director reserves the right to take out necessary policies on contractor's behalf and deduct charges from payment to the contractors. Any loss to life, limb or property on account of event of vismajor in the work site during the currency of the contract attracting any statutory or non statutory liability will be that of the contractor.

26. PAYMENT OF WAGES

The contractor is solely liable under the labour laws in executing this contract and he has to provide all facilities as per law and the Management shall not be responsible for payment of wages/salary to the personnel engaged by the Contractor apart from paying to the Contractor the amount as contemplated under this contract. The Company shall not hold any

responsibility under the labour laws or any other laws in India in respect of engaging workmen/employees by the contractor in executing this work. The contractor shall comply with the safety code of Central Public Works Department and National Electricity Code in addition to complying with the model rules for the protection of health and sanitary arrangements prescribed for workers employed by Central Public Works Department or its contractors.

27. OTHER TERMS AND CONDITIONS

27.1 The whole or part of the work shall not be sublet without the previous written consent of the Managing Director of the Company and such a previous permission is required even for allotting the work on piece rate basis to any worker.

27.2 The contractor shall carry out the work in accordance with the drawings and specifications agreed to as per the contract and if any variation, while executing the work, is found necessary by the contractor he shall obtain previous approval of the Managing Director.

27.3 The contractor shall employ his own workmen/supervisory staff, Officers etc., for carrying out the work for which the Company will not pay any money and it will not also hold any responsibility under the Labour laws or any other law in India. As such the contractor shall not have the right to claim any money for the neglect of the contractor or his employees in causing loss or harm to third parties and the Company shall also not be liable for any injury or loss or harm to third parties and the Company shall also not be liable for any injury or loss caused to the employees /workmen engaged by the contractor in carrying out the work and the Company shall also not be liable for the injury or loss caused to him by his workers/employees.

27.4 The contractor shall remain liable to and shall indemnify the Company in respect of all causes of action, claims, damages, compensation or costs, charges and expenses arising out of any accident or injury, sustained by any workman of the Company or other person, whether in the employment of the contractor or not while in or upon the said works or the site of the same arising out of any act, default or negligence, error in judgment on his part or on the part of his servants and agents.

27.5 Apart from the amount payable under this contract for the work, the contractor is not at all entitled for any other amount from the Company.

27.6 Under the Workman Compensation Act the contractor shall be fully responsible to compensate his workmen or his legal heirs and others and the Company shall not be responsible and if for any reason the Company is made to pay any compensation, the contractor shall indemnify the Company apart from the Company having the right to recover the amount from the dues to the contractor.

27.7 The contractor shall take out appropriate license under the Contract Labour (Regulation and Abolition) Act, 1970.

28. ADDENDA

Addenda, if any, to this Detailed Tender Conditions may be issued by the Company prior to the date of opening of the tenders, if found necessary and the same will be published in online portal only. Bidders are advised to visit the e-procurement portal <https://pudutenders.gov.in> for any changes.

29. PRICE ESCALATION

No request for price escalation will be entertained under any circumstances and the lumpsum rate quoted in the tender shall be final. The contractor is not entitled for any additional payment over and above the amount specified in the contract on any account and the contractor is not entitled for any additional payment towards escalation in the rates quoted by him, despite escalation, if any, in the cost of materials, equipments, apparatus, etc., to be used to carry out the work. The contractor also is not entitled for any additional amount even if there is any escalation in the wages of the labourers or escalation in cost and charges on any account in carrying out this contract.

30. RIGHT TO TERMINATE CONTRACT

30.1 The Managing Director shall be entitled to terminate this agreement and discharge the contract, without prejudice to other rights and remedies available to the Company, if the contractor becomes insolvent or fails and / or neglects to carry out instructions issued by him or on his behalf or to complete the work or suspends the same or delays the progress thereof without reasonable cause or suffers or allows any execution or attachment levied on the properties at the site or refuses or neglects to make good the defective work, if any, or if, without the written consent of the Managing Director, assigns or sublets his contract.

30.2 In case of termination of this agreement due to the default on the part of the contractor the Managing Director of the Company shall be entitled to appoint a new contractor or contractors to complete the work and the contractor hereunder shall in such a case lose and forfeit all his rights and interest whatsoever on this contract, and the excess amount that the Company may incur in getting the work completed through some other contractor or contractors shall also be recovered from the contractor hereunder in default.

31. PENAL CLAUSE

31.1 Time limit for starting and completion of contracted work is essential. In case the work is not started substantially within 15 days of issue of work order,

the Security Deposit may be forfeited without prejudice to termination of this contract. In case the entire work is not satisfactorily completed within the stipulated time period the Company shall have the right to recover damages at 2% of the total contracted amount for delay upto 15 days and 5% of the total contracted amount for delay beyond 15 days. However the Company is not bound to extend time for completion of the work.

31.2 If the tenderer fails to fulfill or to comply with all or any of the terms and conditions of the contract, it shall be open for the Managing Director, Puducherry Distilleries Limited or any person authorised by him or on his behalf to carry out the unexecuted work through any tenderer/contractor and to collect from the contractor, the losses sustained on this. In addition to confiscation of the materials, equipments etc., of the contractor, the EMD, Security Deposit and amount payable to him will be forfeited. The decision of the Managing Director, Puducherry Distilleries Limited shall be final and conclusive in this regard be binding upon the contractor thereto and shall not be open to question or disputes upon any ground whatsoever.

32. SETTLEMENT OF DISPUTES

In case of any dispute that may arise out of this tender and contract, the same will be at the jurisdiction of Pondicherry only.
