

SWACHH BHARAT MISSION DRAFT ACTION PLAN

UT of Puducherry

Objective

Making Puducherry Swachh (clean) in all respects by 2019, by Making Puducherry -

- Open Defecation free
- Litter free
- With 100 % UGD Coverage
- With Clean public Places, Offices etc

Factors affecting Sanitation Environment

- Broken roads, pavements, footpaths
- Improper / delayed restoration of digging
- Encroachments on streets leading to difficulty in servicing
- Littering on streets, markets.
- Inadequate/ Improper sweeping of Roads & markets
- Defacement of public properties

Factors affecting Sanitation Environment (Cont'd)

- Insanitary Conditions in Public Properties (Parks, Schools, Dispensaries) & Other Government Buildings
- Broken drains, choked drains, improper design of drains, Lack of UGD, Non Connection to UGD
- On-going works leading to digging of roads
- Dug Roads left as it is – causing water-logging
- Encroachments on drains leading to difficulty in servicing

Factors affecting Sanitation Environment (Cont'd)

- Poor conditions of Public & Community Toilets
- Inadequate maintenance & cleaning of Public & Community toilets
- Mosquito breeding in water collected at various places

Impending Factors & Measures to achieve the Objective

Impending Factor	Proposed Measure
Lack of Awareness	Sustained Awareness Campaign
Lack of Co-operation from the Public	System to provide for Penalties for littering etc.
Lack of Infrastructure	Provision of Infrastructure-Toilets in Schools, Community & Public Toilets, Water facility
Poor Maintenance of Infrastructure	Outsourcing, SHG Involvement, Proposal for Adoption by Industries, Trade Organisations
Poor Service Delivery	Ramping up of the existing Service Delivery Mechanism to improvise the Service Delivery
Lack of Adequate System of Penalties and Incentives	Proposal of Imposing Fine for littering etc. in Public Places like in South Delhi Municipal Corporation

STRATEGY

SHORT TERM & LONG TERM MEASURES
DEPARTMENTS / ORGANISATIONS TO WORK ON
IMPROVISING SANITATION IN THEIR RESPECTIVE
FIELDS

In case of Outlying district / regions the District
Collector / Regional Administrators will co-ordinate
Short Term Measures (1 to 2 months)-To identify the
Gaps, Prepare detailed Action Plans

Medium & Long Term Measures (1 year or more)-To
implement the Action Plans

STRATEGY (Cont'd)

1. 100% coverage of Toilets in HHs & Schools & Colleges
2. Provision of Adequate No. of Community & Public Toilets & their maintenance through outsourcing
3. 100% coverage & Connection to UGD in the Urban areas
4. Penalties for Littering & Incentives for Compliance
5. General Sanitation
 1. in Hospital
 2. in Industrial Estates
 3. in Schools & Colleges
 4. in Public Places
 5. in Institutions, Offices etc.

Above all Sustained Awareness Campaign reg. Sanitation

PROVISION OF TOILETS

- Objective-To ensure 100% coverage of the individual households with toilets by 2016
- To Provide adequate number of Community and Public Toilets by 2016
